Dear Artist, Crafter:

The 12th Toledo Lighthouse Festival draws crowds as northwest Ohio's waterfront signature event located on the shores of Maumee Bay/Lake Erie. The lighthouse festival is a favored waterfront tradition with great entertainment, arts and crafts village, boat tours, (weather permitting), canoe and kayak demonstrations, sand castle contests, photo contest, children's activities, lighthouse merchandise, food and more. The nautical arts and crafts village has over 50 exhibitors. The lighthouse festival celebrates the unique historic buff brick 4000 square foot 1904 Toledo Lighthouse located along the Toledo shipping channel five miles out from Maumee Bay State Park.

The all volunteer nearly 500 member Toledo Lighthouse Society took ownership of the lighthouse in 2006. The Toledo Lighthouse organization is a nonprofit 501c3 whose mission is to Promote and Restore the architecturally unique Toledo Lighthouse. The festival helps to provide funds and the match for grants to fund the \$1.5 million lighthouse restoration. The restored lighthouse will have four 'Keepers' at the lighthouse welcoming guests for tours. The organization has a \$500,000 grant for new windows, doors and brick tucking which requires a \$136,000 match. The 'My Lighthouse Window Campaign' has raised over \$50,000 and still has windows available. The lighthouse festival is the main fund raiser to help the lighthouse. Thousands attend the festival. **All festival proceeds, net of costs, help the lighthouse. The artists and crafters village is a centerpiece of the festival.**
