SOCIETY

## Dear Artist, Crafter:

The 16th Toledo Lighthouse Festival is northwest Ohio's signature waterfront event. The festival is located on the shores of Maumee Bay/Lake Erie. The lighthouse festival features great entertainment, arts and crafts village, boat tours, (weather permitting), huge silent auction, children's activities, lighthouse merchandise, food and more. The nautical arts and crafts village was a near sell out in 2018 with over 60 exhibitors. There will be some overflow space in 2019. **The lighthouse and festival in 2019 will receive a lot of publicity when a \$638,000 restoration project is awarded and construction begins - sure to attract more to the festival.**

The lighthouse festival celebrates the unique historic buff brick 4000 square foot 1904 Toledo Lighthouse located along the Toledo shipping channel five miles out from Maumee Bay State Park. The all volunteer over 400 member Toledo Lighthouse Society seeks to promote and restore this great lighthouse. The Society took ownership of the lighthouse in 2006 and is a 501c3 nonprofit. The festival provides awareness of the lighthouse and raises funds for the \$1.5 million lighthouse restoration. The restored lighthouse will have four 'Keepers' at the lighthouse welcoming guests for tours. The lighthouse festival is the main fund raiser to help the lighthouse. Thousands attend the festival. *All festival proceeds, net of costs, help the lighthouse. The artists and crafters village is a centerpiece of the festival.*
